Dear Families,
We hope you have had a chance to enjoy the stunning sunshine this week after some very chilly mornings to begin each day. Students have been very active in the morning to keep warm. We are continually impressed with the way our students have settled into school routines and displaying great behaviour in the school yard.

REPORTS
Mid-year reports will be sent home on the last day of the term. All of our teachers have been preoccupied with report writing over the last few weeks. We ask that you carefully read all of the comments and talk through these with your child to make sure any positives are acknowledged and celebrated and any areas for improvement are addressed. The teachers have put a lot of time and effort into the reports and are happy to answer any question you may have. Some teachers have already started interviews to share some of this information. It would be ideal if you could see this as an ideal opportunity to have a look at where your child is right now and work with them and the teacher, to ensure that we have continued improvement for the remainder of the year.

ABSENCE REMINDERS
When your child is away from school, for any reason, we need a phone call or a written note to explain the absence. We conduct a review half way through each term to look at any patterns that are emerging and you may be contacted to give some details of absences. We need to keep accurate records and reduce the number of unexplained absences as we work towards ensuring that students are at school as often as possible.
If you have a family holiday planned then we would ask you to complete an exemption form and return it to school. This information is kept in the students' personal file. Exemption forms are available from the Front Office.

STAFF CAR PARK SAFETY
A reminder that the staff car park is an unsafe place for students to be walking and riding bikes and scooters through. Being a car park, vehicles can be reversing at any time. We remind students and parents to please use the walkways and gates, and not the car park gates, to enter and exit the school. School safety is everybody's responsibility.

LIBRARY NEWS
Has your child spotted themselves in the PRC display in the library? Those students who have finished the Premier's Reading Challenge have been added to the display as a character from a book. More will be added each fortnight.
Due to the coronavirus, students are able to record any 12 books they read that is at their reading level. They do not have to be from the PRC list. The Challenge finishes on 4th September.
Congratulations to the following students who have finished their PRC during the last two weeks.

DUPLICATE STUDENT REPORTS

A friendly reminder to parents requiring duplicate copies of student mid year reports to contact the Front Office staff to organise. Reports will be going home with students on the last day of term 2.

ENROLMENT FOR 2021

We are currently working in conjunction with our local partnership primary schools to organise the enrolments of reception age children for 2021. If you have not already completed enrolment forms for siblings of current FNPS students, please contact the Front office to organise. We require these enrolment forms to be returned ASAP.
