Dear Parents and Carers,

Here we are at the end of Term one already. It has, as usual, been a very busy term with lots of highlights, including numerous fantastic learning opportunities, interesting excursions and the very popular year 6/7 camps to Illawonga. A huge thank go to the FNPS staff for their hard work in preparing and arranging these educational activities. Thanks also go to the parents who regularly volunteer to assist on such occasions. Without this input from all involved these activities would not be possible.

#### YEAR 6/7 SPORTS DAY

Unfortunately our year 4 to 7 Athletics Day was cancelled yesterday due to the unseasonal hot weather and high wind forecast. We will reschedule the Athletics day for early in Term 2. I understand many students were disappointed and families inconvenienced but I am convinced that it was the correct decision.

#### ANZAC DAY DAWN SERVICE

ANZAC DAY is a very important day on our calendar and this year it falls during our school holidays. The ANZAC Day Dawn Service is an integral part of our culture in Australia and I believe that it is important for our children to gain experience at an event like this. ANZAC Day is an opportunity to appreciate what our military forces did in the past and are doing currently, to ensure Australia

remains a safe and free country. The school will be represented at the Henley and Grange Dawn service on Seaview Road by two of our School Captains. Ella Stone and Robert Bracci will be laying a wreath on behalf of our Learning Community. I would like to invite any member of our Community to join us at the Dawn Service. It would be great to see a large contingent of students wearing Fulham North School Uniform at the service. I will be at the Foodland Entrance on Seaview Road at 6:00am if you wish to meet there prior to walking up to the Memorial on Seaview Road

#### MOVIE NIGHT

A huge thanks to all of the families who have pre purchased tickets to our Movie Night Fundraiser. All proceeds will be going towards equipment for our magnificent STEM centre. The Fundraising Committee, Governing Council and School Staff must also be thanked for their preparation work and for making themselves available for the night. Let's hope we get a great night weather wise and a big crowd to help the fundraising effort. Many local business houses have sponsored the evening. A list will be presented in the first newsletter of Term 2. A slide show of the supporting businesses will be on display on the night. Please consider utilising these businesses in future.

## ROAD SAFETY

I just want to re-iterate that Road Safety is everyone's business and we all need to take extra care when using the roads and crossings near our school. I had a call from a concerned community member who was quite shaken by the fact that she had a close call with one of our students recently. I often see parents not using our crossing and taking a big risk with their children to avoid walking an extra 50 metres to cross the road safely at the crossing. I am not sure that this action is teaching our children good habits. Motorists too must take extra care when driving around the school. Your cooperation in relation to this matter is essential and appreciated. We have had some parents dropping off students in the staff car park. This is clearly not safe and certainly not an acceptable practice either.

## TERM 2

School recommences on Monday, 30 April. I wish everyone a safe and happy holiday and look forward to working with you all again in Term 2

Kind regards,  
Steve Marshall

## SCHOOL NEWS

### PLANTING FOR GIANT SOUP DAY BEGINS!

Green thumb classes have planted their winter crops so they can be harvested in time for Giant Soup Day in Week 10 of Term 2. We have a variety of 'soup' vegetables growing and thanks must go to Milton Vadoulis of 'Vadoulis Garden Centre' 554 Main North Road Gawler for his donation of seedlings and seeds and to Leith Forrest, FNPS parent for coordinating this. We look forward to watching the vegetables grow over the next few weeks.

*Peter Hutton* for the Enviro Committee.

### PREMIER'S READING CHALLENGE

Well done to the following students who have successfully completed the Premier's Reading Challenge for 2018. The holidays are an excellent time to get stuck into some reading and completing the challenge before a busy term 2. Keep reading everyone!
