Dear Parents and Carers,

This is the final newsletter for term two and it seems that the year is flying by. This has been a busy term with lots of excursions and activities happening on a regular basis. This week saw the Rap Rhythm and Rhyme evening where a number of students perform in front of an appreciative crowd of family and friends. It is just great to see so many of our students put themselves out there and perform so well. Thanks must go to **Kristin Martin** and **Heather McDonald** for all of their work in preparing students for the night and the general organisation of the evening.

LAST DAY OF TERM EARLY CLOSURE

Please note that we will be dismissing at 2:10 on Friday, 6 July for the mid-year holidays. I trust that everyone will have a good break and that we will all return refreshed for an interesting and exciting term three. We will hold our usual end of term assembly at the outdoor stage area at 2:00pm where the house shield and Kiwanis awards will be presented. **School resumes on Monday, 23 July.**

REPORTS

Mid-year reports will be sent home in week 10. I ask that you carefully read all of the comments and talk through these with your child to make sure any positives

are acknowledged and celebrated and any areas for improvement are addressed. The teachers have put a lot of time and effort into the reports and are happy to answer any question you may have. It would be ideal if you could see this as an ideal opportunity to have a look at where your child is right now and work with them and the teacher to ensure that we have continued improvement for the remainder of the year.

The relationship that you have with the school as a parent has a strong correlation to how well your child does. More than 50 years of research in the United States showed that frequent teacher family communications improved student attendances rates, homework completion and academic performance.

Kind regards,
Steve Marshall

NEWS FROM MR RAWLINGS

Our school strongly values the wellbeing of all students and have taken the opportunity to implement a new support service offered to all primary and secondary schools. 'In-School Psychology' provides a free on-site counselling service to children, adolescents, their families and schools. The psychologists at 'In-School Psychology' are experts in

child/adolescent psychology, dedicated to providing outstanding and comprehensive service to assist children, schools and their families with issues when they may arise. Students would need a referral letter from their GP, the school can assist you with this paperwork, but there is no cost involved to families. Please contact the school if you would like more details about the service or would like to organise a meeting.

STATE REPRESENTATION

A huge congratulations to **Jevan Phillipou** and **Terran Wright** on being selected in the State Football and State Softball Teams. These talented students will represent the state in the Australian Championships later in the year. A fantastic achievement and a great reward for the dedication these outstanding individuals put into their sporting pursuits! DREAM BELIEVE CREATE SUCCEED.

Keep Active

DEAR FAMILIES AND COMMUNITY MEMBERS,

As a whole staff we have decided that in **Term 3** we will have a focus of raising funds and awareness to a very worthy Adelaide cause – **Homeless Women at Catherine House**.

What is Catherine House?

Catherine House provides supported accommodation services to women experiencing homelessness in South Australia, who are 18 years and older, and unaccompanied by children. Catherine House was founded 30 years ago and over subsequent years the organisation has both grown and refined its model and is now recognised as Adelaide's only recovery based service for women experiencing homelessness. Catherine House believes that every woman is a woman of potential, with capacity and capability, and the right to the choices that lead to a dignified life.

As well as financial donations, the clients at Catherine House are always in need of various items to assist them or as they leave to help them get "back on their feet".

We are asking for our community to please donate something from the list below to the Front Office and place in the baskets provided.

SPORTS RESULTS

SOCCER

16/6/18

U7 white

Fulham Nth drew with North Adelaide Blue 1-1

A great competitive game from the team.

Under 9

Not even the strong wind could stop the mighty Owls last Saturday.

Jacob did amazing as the captain and he encouraged his team mates through the whole game. Emmanuelle did great defensive positioning and she got into the tackles. All players did so well.

Great teamwork, a lot of running, amazing passing and crossing are the key words to a well-deserved 3-1 win.

Goals scored by Ben, Nathan and Archie.

Well done Mighty Owls!

U10

Fulham Nth def St Michaels 5-0

Great effort from the team. Some lovely passing and team work from the boys.

Goals to Zac, Javier, Toby and Jack.

U12

Fulham Nth drew with Grange 1-1

The team turned up determined to play Grange who are last years League winners.

An exciting game to watch, our team remained persistent and every player matched up to a strong opposition. Some good passing and attempts to score before Lewis broke through and scored in the second half.

Well done Ruby for a strong effort.

23/6/18

U7

North Adelaide Blue defeated FNPS 0-1

Team all played really well together sharing the ball around.

U8

FNPS drew with Alberton 0-0

Another clean sheet for the Owls. End to end, exciting stuff, a real spectacle for fans despite the lack of goals. Maybe the players from both teams have been watching the World Cup games as there was a "never give up" intensity to the game, ala the Soccerroos performance vs Denmark recently. Fulham North had a couple of chances but determined defending (and goal-keeping) from Alberton saw the teams play out a goal-less draw.

U10

FNPS defeated Prospect 6-1

Some good passing and team work all round by the team. Great play.

Goals from Jack, Toby, and Javier.

U12

FNPS drew with Nazareth 2-2

Although Fulham were the more dominant team on the morning an equalising goal was conceded in the last minute.

FOOTBALL

Year2/3

16/6/18

The boys knew they were playing winter footy on Saturday at West Lakes Shore with a three goal breeze blowing to the northern end. Leo Treadrea won the toss and the Mighty Owls kicked two unanswered goals with the wind in the first. In the second, West Lakes responded with four goals with the breeze. After oranges, FNPS kicked another 2 unanswered goals again with the breeze. In the last, West Lakes Shore kicked two to FNPS one. It was the first game this season where opposition team numbers and football skills closely matched FNPS. The Mighty Owls managed to hang on for the win and remain undefeated so far. Goal scorers were Leo Treadrea, Louis Black, Max Voller and Will McMahon. Best players were: Leo Treadrea, Jake McDowell, Will McMahon, Xavier Turnbridge and Logan Stephens.

Year 4/5

16/6/18

Fulham North 14.5.89 defeated West Lakes 4.2.26

Best Players – Leon Fazzalari, Ethan Hansen & Nathan Kovacic.

Goal Scorers – Jack Trotter 3, Ethan Hansen & Leon Fazzalari 2 each and 1 each to Nathan Kovacic, Dylan Turner, Ella Clogg, Fletcher Mickan, Ethan Matthews and Marley Hansen.

This week we played West Lakes Shore, the whole team effort was the standout in what was very trying conditions. Leon Fazzalari played his best game for the Owls with multiple marks and finished off nicely with two goals. Ethan Hansen was dominant in ruck and pushed forward late to also kick 2 goals.

Nathan Kovacic amassed numerous disposals and Jack Trotter was lively kicking 3 goals in a half. A great game by all.
