Dear Parents and Carers,

Here we are half way through term two, which seems to be flying by. I guess that is because we are so busy and have so many things happening here in our Learning Community. It is a credit to our teachers and ancillary staff that things do run so smoothly, in what is an extremely busy place. I noted that we had a huge number of parents and extended family members at the Teddy Bears Picnic held at the Local Park recently. It is great to see such support for our school, from what I saw a good time was had by all who attended.

WORLD OCEAN DAY

We have been invited by well-known Artist photographer, Andrew Baines to participate in his World Ocean Day project. This event will take place next Wednesday, 8 June. We will be walking to Henley Square where all of our students will gather on the beach forming the letters SOS, representing SAVE OUR SEAS. Andrew will take his photographs from the Henley Surf Life Saving Club using a drone system. We will all have an early lunch that day and

head over to the beach at around 12:50 for a 1:20 start. The event should take around an hour and we will be back at school for normal dismissal. I believe that a United Nations Diplomat will address the students at the beach. Channel 7 have also committed to the event. **Students are asked to bring an umbrella as a prop.** If the weather is too inclement for the beach photograph an alternative event will be held in our gymnasium where the UN representative will talk to our students. A number of students from Lockleys Primary School will also be attending. This event fits in well with our focus on environmental education and community involvement. Your support of this great event will be appreciated.

NEW TOILET BLOCK

At the last meeting of the Governing Council it was decided that we will go ahead with plans to build a toilet block in the area near the GLA and Rooms 22/23. The plans for the toilet block are currently being drawn up and we believe this will be a great addition to our facilities. It will also be a

useful facility for weekend sports. The school is fully funding the toilet block because DECD guidelines state that we already have enough toilets despite our increasing numbers of students. I will provide further detail on the new toilet block as information comes to hand. I applaud Governing Council for being proactive on this matter as it will certainly be a positive addition to our school.

MUSIC NIGHT

A large audience was treated to a fantastic display of Fulham North Primary School Talent last night when our annual Music Night took place in the Gymnasium. We had a wide variety of performances ranging from dance routines of all ages, the school choir, solo singers and musicians.

It was a great night and I am amazed at the quality and diversity in our Learning Community. The show certainly showed the value and quality of our Arts program as well as the commitment, appreciation and dedication to the arts by our families. Well done to all who performed and a huge thanks to **Heather McDonald** and **Catherine Almond** for their fantastic effort in organizing the night.

SCHOOL CHAPLAIN

I have received some responses to my request for feedback on the School Chaplain proposal, both for and against the idea. If you have an opinion on this matter please do not hesitate to contact me on 83569272 or steve.marshall134@schools.sa.edu.au

Kind regards

RAP RHYME AND RHYTHM

As preparation for our “Rap, Rhyme and Rhythm” night, to be held on Wednesday, 29 June, classes in Years 3 to 7 have been working on Poetry. They have been writing, selecting, practising, and reciting poems and have received advice and encouragement to polish their presentations.

Next week, groups or individuals will perform their poem to their peers in class time and selection processes will take place for the special night.

You will be notified in writing if your child is selected but it is helpful to know at the auditions if your child will be available.

Year 2 students will also perform on the night with their class. They will practise their poem during their Performing Arts lessons.

We believe this is a rewarding opportunity for many students and we thank you for your continued support. Please see your child’s class teacher if you need more information.

Fulham North travelled to Hendon to play an undermanned side, with 3 owls playing for Hendon each quarter. Jamie Hitch's hard running to space, gathering the ball and delivering the ball to his team mates was outstanding, scoring goals for both Fulham North and Hendon.

Dylan, Archie, Ethan, Jamie and Zac all shared the ball with their team mates. In one quarter every player in the forward zone scored a goal, through unselfish sharing of the football. Marley Hansen was captain for the day and scored her first goal for the owls. Both coaches could not be more proud of their team, and the way they passed the ball to each other.

LIGHTNING CARNIVAL

18 young Owls headed off to Woodville Oval on Saturday morning for a School Lightning Carnival.

The quick paced format is 2 x 6 minute half’s, oval consists of 3 zones with 4 players per zone.

With the team game continuing to develop, all Owl’s played well, and had a great morning.
