STEM UPDATE

The plans for our STEM project are on the wall in the front office area. Please take a look if you get a chance and feel free to ask me any questions you may have about the project. At this stage we are looking at commencing work in late term 3 and during the October holidays with the major works taking place during term one of next year. I am very pleased with the plans and I am looking forward to the positive change it will make to our school from a classroom learning environment perspective and just how good it will make our school look. The outside learning area for example will be a huge bonus to all of our early childhood classes.

DISCO

The school disco held last week was a great success with over 250 students attending the sessions. It was great to see so many teachers assisting on the night and really pleasing to see so many parents helping out with selling glow sticks, cooking the BBQ and serving sausages. Huge thanks to all involved. We were able to raise almost \$2000 which will go towards better facilities for our students.

PORT ADELAIDE FOOTBALL CLUB VISITS

The Port Adelaide Football club have been running their community workshops about Healthy Lifestyle, STEM and Respect for our year 6/7 classes. The students have worked very well with the players who have been here to speak. Next week they will be holding a whole school session at an assembly where the players and a few students will talk

Dear Parents and Carers,

The term is rapidly coming to an end and the important activity of Parent / Student / Teacher interviews will be front and centre next week. **Please make sure that you have logged on the booking website**

www.schoolinterviews.com.au put in the code s2daq and follow the prompts to book you time with your child's class teacher.

EARLY DISMISSAL

Just a reminder that school will finish 1 hour earlier at the end of term at 2:10pm. Weather permitting we will be having an end of term assembly at the outdoor stage.

PREMIERS VISIT

This week the Premier Mr Jay Weatherill visited our school and met with a few parents in a school yard question and answer session. Accompanying Mr Weatherill was our Local member for Colton Paul Caica who has announced his retirement from politics as of the next election. Paul has been a strong supporter of our school over many years and his contributions and commitment to Fulham North will be missed greatly. With Paul was the new Labor candidate for Colton Angela Vaughan. It was great to see a number of parents asking the premier a few questions, many of the questions focused on our facilities which are obviously in need of an upgrade.

about program. They may have some time to sign Port gear if students wish to bring things along to sign.

Kind Regards
Steve Marshall
