Dear Parents and Carers,

Welcome back for term 3. We are certainly looking forward to another term full of interesting and exciting learning opportunities in our community. I am aware that many of you are quite pleased that the holidays are over and the children are all back at school. From my observations and discussion the students generally enjoyed their break and they are also very happy to be back. You may have noticed a couple of changes around the school that took place during the holidays. A drinking fountain has been fitted near the GLA and Glass panels have been fitted outside of rooms 16 and 17 to protect the veranda area. All of this works has been arranged and/or done by our Governing Council Chairperson, Justin Payne, who puts in a great deal of time and effort to make sure our facilities are always on

the improve. Justin donates an enormous amount of material, equipment, time, and effort. I would like to publicly thank Justin for his, generosity, dedication and commitment to our Learning Community.

STAFF CHANGES

I am pleased to announce that Kristian Rawlings will remain as Deputy Principal for the remainder of the school year. Rod Sutherland was to have been appointed here but was transferred to another school very late last term. That means of course that Cory Selfe will stay on as the PE teacher. We do have a number of people on leave this term. Johanna Spicer is on leave for the first few weeks with Alana Nairn taking her place. Peter Hutton is on leave for the first 5 weeks of term with Bec Harvey taking over

room 20. Michele Russell is also on leave for the first few weeks and her place is being taken by Margaret Kunze in the library. Sheree Duff will take on Michele's classroom teaching role in room 18.

ADVANCE NOTICE.... PROFESSIONAL LEARNING DAY

Please be aware that the **school will be closed on Monday, 21 August** whilst the staff undertake Professional Learning. OSHC will be available for registered users. Please call Maria to make a booking on 83554296 or 0413 318 645.

ROAD SAFETY

We all know that road safety is everyone's business and this applies tenfold when it comes to schools and school zones. Parking for picking up and dropping off students is always an issue and I urge all drivers to be extra vigilant and to obey the road and parking rules. This can only be a positive thing for all of us.

I recently had a person who lives close to the school ring to complain that a van had parked across her driveway after school. Please be considerate of our near neighbours whilst picking up your children.

Things to avoid around the school to make sure our children are safer...

Speeding

Double Parking

Parking too close to an intersection

Parking across driveways

Parking too close to pedestrian crossings

Letting students out of the car at the pedestrian crossings.

All of the above are not only dangerous but could incur a fine if the council or Police are in our vicinity. I do contact the Council and the Police on these matters, so please be forewarned that they may be patrolling our area this term.

Kind Regards

SCHOOL NEWS

PERFORMING ARTS NEWS TERM 3 2017

I'm Back! After an incredible journey all around the world I am happy to be back working with your children this term. I would like to take this opportunity to publically thank Stuart Hazeldine and Kylie Serfontein for taking on my classes while I was away.

This term is Production term. All classes will be rehearsing for our whole school performance. This show will be held at the Christian Family Centre, Frederick Road Seaton on **Wednesday evening October 25**. Please put this date in your diaries now as it is an expectation that your children perform and they will be very disappointed if they are not part of this special night, a big event in the school year and something that many children remember as a highlight of their primary school years. It may help to inform coaches of your child's sport/dance/drama/music lesson, that they will be missing that one practice/lesson.

We would love some parent assistance to help make the production a success. More information about this will be sent home in the coming weeks. If anyone has a single bed duna/quilt or quilt cover they could donate we would

appreciate it. We also need people with craft skills who would be willing to:

- Help make 7 Greek/Roman toga costumes.
- Create small props such as a trident spear for Poseidon, a crown for Apollo, a shield for Athena etc
- Sew the edges of big squares of fabric for flags.

Please let me know if you are able to help us out.

The students and I are excited to be working towards a night to remember. We hope you will be there to be our audience!

Heather McDonald

Performing Arts teacher

STOLEN BIKE

This bike was stolen from our bike racks after school on Wednesday, 26 July. If you know of its whereabouts, please contact the Front Office as soon as possible.

GIANT SOUP DAY – THURSDAY 3 AUGUST

Our garden plots are looking healthy and are flourishing with a variety of soup vegetables after some recent rain.

Giant soup day will be held on

Thursday, 3 August. All students are asked to bring their own mug to be used on the day. Each child will be supplied with soup and ½ bread roll for their lunch. (If they are big eaters we would suggest they come with extra food). *The Environment Committee*
