Dear Parents and Carers,

Here we are almost half way through the term and as usual things are very busy, last week we had a great disco night with all of the students who attended having a great time. . Huge thanks to the parents who were able to help out on the night cooking and serving sausages and assisting with glow stick sales. It was also a great opportunity for our School Captains and House Captains to exhibit their leadership and they did a great job on the night. Many thanks also to the staff members who gave up their time to organise and supervise the night. We raised over \$1400 which will go towards new tops for our Performing Arts students to wear when representing the school at functions.

#### PROPOSED CHANGES TO CHARLES STURT LIBRARY HENLEY BEACH

Are you a local library user? The Charles Sturt council is currently undertaking community consultation regarding the possible downsizing and relocation of the current

Henley Beach Library. Proposed sites include a shop inside the Pavilion Shopping Centre or the building which currently houses retiring Local member, Paul Caica. The process is via on line feedback, a community open day on June 10 or direct email to [jstretton@charlessturt.sa.gov.au](mailto:jstretton@charlessturt.sa.gov.au).

#### NEW DOOR LOCKING SYSTEM

Some of you may have noticed a few changes at our external door locks and handles. The school was the recipient of a door security upgrade fully funded by DECD, which has seen all external doors converted to an electronic locking system. This will alleviate the need for so many keys and assist with overall security a great deal.

#### SCHOOL FEES

As we move into the second half of term two it is important to note that School Fees for 2017 are now overdue. Many thanks to the families who have already paid their fees as the school relies quite heavily on the money collected to provide materials and services to all students. Our fees for

2017 are \$330 with an extra \$70 if you choose to pay the excursion levy. This represents extremely good value at around \$1.65 per day, for that can only be described as quality teaching and learning. If you have not yet attended to your school fees please do as at your earliest convenience.

Kind Regards  
Steve Marshall

## **SCHOOL NEWS**

### **MUSIC NIGHT TONIGHT**

We are all looking forward to tonight's Music Night to be held in the Gym from 6.30pm. We ask families to be punctual as we have a great line-up to present to you. The concert will showcase various genres, including strings, piano and solo singers and include students from Reception age through to Year 7. Entry will be with a gold coin donation. We wish all of our talented performers good luck!

### **10 CENT RECYCLING COMPETITION STARTS NEXT WEEK!**

Start collecting your 10 cent recyclable containers as our annual competition is starting on- **Monday 19 June through to Friday 23 June (Week 8)**. The competition has proved very successful in the past raising thousands of dollars for our school environment initiatives. Last year classes raised over \$400 during the week which was used on the school garden.

During Week 8, students from Room 20 will come around and collect containers from each class, tally and store them. There will be class prizes for the JP, MP and UP sections of the school.

So start collecting (neighbours, relatives and friends are a good source too) and benefit from a tidier backyard and helping out your child's school.

*Peter Hutton and Room 20 for the School Environment Committee*

### **NUDE FOOD DAY - WEDNESDAY 7 JUNE**

Nude Food Day is happening next Wednesday, 7 June.

Nude Food Day is a fantastic opportunity for children to learn about how their actions can impact the environment and their health.

'**Nude food = a healthy body + a healthy planet**'. We want students to choose healthy, rubbish free food for their lunches and snacks.

Next Wednesday, we would like you to bring a healthy snack and lunch with NO wrapping if you can.

We will be eating a shared lunch in our house groups on the oval. The house group with the least amount of wrapping will be the winner of our Nude Food Day Challenge and receive extra points for the house shield.

So be an active participant in the day and help your house team by having a healthy, wrapper free snack and lunch.

Thanks

*FNPS Environment Committee.*

### **RAP, RHYME AND RHYTHM EVENING**

On Wednesday, 28 June we will be holding our annual Rap, Rhyme and Rhythm evening. In preparation, all classes in Years 3 to 7 have been studying poetry. They have been writing, selecting, practising, and reciting poems and have received advice and encouragement to polish their presentations.

Next week, groups or individuals will perform their poem to their peers during class time, and the selection processes will take place. You will be notified in writing if your child is selected. However, if your child is interested in performing on the night but will not be available, please inform your child's class teacher as it is helpful to know this information at the auditions.

Year 2 students will also be invited to perform on the night with their class. They will practise their poem during their performing arts lessons.

We believe this is a rewarding opportunity for many students and we thank you for your continued support. Please see your child's class teacher if you need more information.

*Kristin Martin*
