Wednesday 31 October	1 st Kindy Transition visit	9am to midday
“ “ “	Aquatics excursion	Year 6/7 classes

Dear Families,

PLANNING FOR 2019

We are in the beginning phase of planning human resources and the budget for next year. With the exception of Year 7 students, we make the assumption that all students will be continuing at Fulham North next year. If, for whatever reason, your child will not be continuing with us next year, please inform leadership or the front office as this will assist with our planning.

OPTIONAL INTERVIEWS

Please contact your child’s class teacher should you like to have a Term 3 interview to discuss learning and progress.

GENIUS HOUR EXPO

Our Year 6/7 students showcased their passion projects last week from ‘Genius Hour’. It was a showcase of powerful learning and student achievement. The array of presentations and products of learning were diverse. Articulation of the learning by the students was precise and passionate. The joy from visiting students, staff, parents and community members was highly evident. Communication, confidence, getting along, life long learning, organisation and persistence indeed.

STAFF CAR PARK

Please be mindful of the staff car park – it is unsafe to use this as a pedestrian entry and exit. Your cooperation in keeping everyone safe is appreciated.

NAPLAN

After several delays, the school has received the 2018 NAPLAN results. Parents of Year 3, 5 and 7 students who participated in the NAPLAN this year will receive individual results in an envelope on Tuesday, September 25th September. It is with hope that students show what they know in these tests, but it isn’t always the case. Please make the time to talk with your child’s teacher should you have any concerns or would like some professional assistance in analysing the information.

As a school, some positive progress has emerged with our 2018 results, showing above the national average in every component and improvement in all areas from last year.

Year Level	NAPLAN Component	2018 FNPS Mean Result	2018 National Mean Result	Difference from FNPS 2017
Year 3	Numeracy	414	408	+16
	Reading	436	434	+18
	Writing	425	408	+21
	Grammar	432	431	+22
	Spelling	445	418	+33
Year 5	Numeracy	503	494	+18
	Reading	520	509	+16
	Writing	479	465	+1
	Grammar	522	502	+32
	Spelling	518	502	+20
Year 6	Numeracy	578	548	+17
	Reading	558	542	+18
	Writing	537	505	+5
	Grammar	572	543	+22
	Spelling	563	545	+10

Kind regards,
Marcus Knill

NEWS FROM MR RAWLINGS

As we approach the end of Term 3, I would like to take this opportunity to personally thank all of our staff members for their efforts over the term in organizing events for our students. This term our school has been involved in a number of events including; Book Week, District Athletics Day, Knockout Sports, Festival of Music, Indonesian Day, 10c Recycling Competition, Genius Hour, Excursions and Science Week, to name just a few. None of these events would have been possible if were not for the commitment and dedication of the wonderful staff here at Fulham North Primary School. Events such as these add enormous value to the learning outcomes for our students and form a big part of our school culture and identity.

On Tuesday, 11 September, our school participated in the Airport/Western SAPSASA Athletics Carnival. Many personal bests were achieved on the day and the sportsmanship displayed by our students was outstanding. Many of our students finished first in their event and have now been selected to represent the District at State Day. Our students were successful in winning the Airport District Champions for the **7th year in a row**. A fantastic achievement!! I must have been the proudest teacher at the carnival!! Thanks to **Cory Selfe** for his hard work in inspiring and training the mighty owls! Thanks also to the many parents who assisted helping out on the day. Another great success story for Fulham North Primary School!

Keep Active!
Kristian Rawlings

ROOM 5 AND ROOM 7'S 'SPECIAL PLACES WALK'

Thank you Henley Square Foodland!

Room 5 and Room 7 went for a 'Special Places Walk' to Henley square as part of their Geography lessons about our community. The children visited Henley Oval, Henley Beach Library, Henley Square Foodland, Henley Square and Henley Beach Police Station.

Thank you to Henley Square Foodland who kindly donated an apple, banana and juice to each student. Their snack was greatly appreciated by all students!

Miss Sophia, Miss Kylie & students from Room 5 & 7

STUDENTS WITH HIGH INTELLECTUAL POTENTIAL GROUP

In our endeavour to support students at Fulham North who present with high intellectual potential, we are initiating an action research project in term 4 with an identified group of students. Our aim is to increase their engagement in learning and to see how we can support this group of children to aspire to their potential as critical and creative thinkers and to increase their self-esteem and confidence.

Students for this pilot project have been selected using our literacy and numeracy data and teacher professional judgement. The students and their families will evaluate the project during and at its conclusion. We hope to then use the information gained to tailor a program that fits the needs of this group of learners at Fulham North in 2019.

If you have any questions about the project please contact Heather McDonald. Her email is Heather.McDonald284@schools.sa.edu.au

P.E. NEWS FROM MR SELFE

Congratulations to **Raegan Denton** who has been selected to be a part of the State SAPSASA Golf championships.

A huge congratulation to the 49 Fulham North students who represented the school at the recent District Athletics Carnival held at Henley Oval. Our students showed fantastic dedication to training in the lead up to the event, giving up lunch times and training after school to achieve their best results. Fulham North was successful in winning

the 'Large Schools' trophy on the day for the seventh year running. Great work competitors!

DREAM BELIEVE CREATE SUCCEED

A friendly reminder to parents and students to please return Soccer and District Day tops if you haven't already done so. Many thanks to those families that already have.

Cory Selfe

P.E. Teacher

UNIFORM SHOP NEWS

Please be advised that our supplier of polo shirts has supplied our current order with their "new fit" .

The sizes now differ slightly from previously, please feel free to attend our uniform shop to try on new sizes. We appreciate your patience during this swap over period.

GOOD LUCK

Good Luck to Alexandria Ciccone who has received a wildcard entry into the Tennis 12s & under Australian Clay Court Championships in Canberra. The event is being held on the 28 September to 3 October. We wish her well!

STRINGS SOIREE EVENING

On Wednesday, 18 September students from the school's Strings program performed for family and friends in the annual *Strings Soiree Night*.

I would like to thank **Iarla Bastians** for putting on a wonderful show and the students for an amazing job. Their hard work and dedication to the program was clearly evident in their performances. Well done to all who participated!

SPORTS RESULTS

SOCCER

Under 8

8/9/18

FNPS 1 - St Michaels Gold 4

A couple of early, unlucky goals had the team on the back foot from the beginning. But to our credit, we persisted, putting pressure on the other team for the remaining first half. The early part of the second half had FNPS creating some real chances including a lovely finish from Lachy to get us on the scoresheet. The 4-1 score line probably didn't reflect the closeness of the game in the end.

Under 9

8/9/18

It was our last game of the season and what a game! 5-5 against a very strong team, but our Mighty Owls were fighting the whole game and because of the team work it felt more like a win than a draw. Every single player passed

the ball around, great crossings and ran more than ever. Well done to every single one of you! Goal scorers were Finley 4 and Archie 1. Awesome game and awesome season. Go you Mighty Owls

U9 had a very windy & wet but also fun two games at the carnival to wrap the season up. First game against Grange PS and we won 4-0. Great team work secured our first goal and the team played well considering the windy conditions. Second game against St Michaels, re match from the previous week which was a draw, FNPS lost. Again even harder conditions on this field. Fantastic season U9 Owls, only losing 3 out of 16 games, but more importantly we had fun, skills were developed & friendships made. Thanks everyone J, C & B

Game 1 - FNPS 0 - Grange Primary 1

The rain stayed away for the end of season soccer carnival at Jubilee Reserve, West Lakes. An early (8.30am) start for this game. A clash of strip (both blue and white stripes) with Grange PS meant that we played with our jackets on (which wasn't too bad, given the chilly conditions!). A free flowing, entertaining, end to end game where Fulham North players displayed their passing, tackling and counter attacks. A real team performance.

Game 2 - FNPS 0 - Nazareth 1

The second game of the carnival (and last game of the season). FNPS dominated the match with consistent pressure applied against our opponents. A number of corners in the second half led to numerous chances, but alas, no final ball in the net. On full-time, the final whistle was blown on a very enjoyable season where players had a lot of fun and developed their confidence and skills, with numerous players eagerly asking when the season will start again! As coach, I would like to acknowledge the fantastic support of the parent group and the kids who did the school proud, every Saturday morning, consistently applying the school values of persistence, getting along and organisation. Lorenzo

Fulham North has come to the end of the 2018 soccer season, I'd like to give a big thank you to all parents that have coached and looked after a team for us, without your valuable assistance we could not proceed, we are lucky to have so many willing families who help out each week. Thanks to Rochinna Rossi U6, Adam West U7, Brad Harper U6, Tim Gee U7, Lee Kolokas U7, Jacob Holmes U6, Lorenzo Pizza U8, Christina Pilekaar, Jamie Cleland & Bec Fox U9, Mark Allcock U10 and Anthony Taylor U12 and all the other parents who volunteered to be assistant referee and team stewards, week after week.

Under 10

I'd like to congratulate FNPS U10 for a great season playing 15 games winning 13 with only 2 defeats. They scored 102 goals and only conceded 10 over the course of the season. They played football the right way, passing from defence to attack and using the width of the pitch. They have an excellent defence, midfield and strikers. Fabulous team and great effort. Well done Fulham Under 10
Mark Allcock.

COMMUNITY NEWS

HENLEY SOUTH TENNIS CLUB

Girls Make Your Move – Join us for an all girls afternoon Saturday, 22 September from 2pm.

Celebrating girls and women in sport. On court games and activities for all ages and standards followed by afternoon tea. All welcome! Phone 0407216158 for more info.

SCHOOL HOLIDAY FUN
