Thursday 13 December	Graduation Evening	Details to follow
Friday 14 December	Last Day of Term 4	1..55pm Assembly 2.10pm Dismissal

Dear Families,

This week has seen the beginning of what is an event filled term. During the past week we have students from Foundation to Year 5 involved in swimming at the Thebarton Aquatic Centre and our Year 6/7 classes involved in Aquatics. On Wednesday we were also able to host our Transition day for the students that will be beginning their Foundation year with us in 2019. It was wonderful to see so many bright and happy faces on students at all of these events. Please make sure that you take note of the many other events that we will be holding over the remainder of the term, it would be great to see as many people as possible attend these as well. We have Bike Education starting next week and celebrating Indonesian Day on the Friday.

SPORTS DAY - FRIDAY 16 NOVEMBER

A reminder that our Rec – Yr 7 Sports Day is being held on Friday, 16 November, at Henley Oval, Cudmore Terrace. The day is all about having FUN and PARTICIPATION and working with your team mates. The Year 4 – 7 Athletics day and District Day is focused more on individual achievement and competition. Students will walk to Henley Oval in the morning with their class to participate in tabloid events. Year level and house relays will also be held during the day. The students will walk back to school for lunch. The canteen is closed on this day so students will be able to order a Subway lunch if interested. Subway order forms will be sent home with students next week. Students can come to school dressed in their house colours for the day. We will send home a timetable of the day’s events with the next North Talk. All parents/caregivers are most welcome to come along for the day. You might even be interested in

challenging the house captains in a relay at the end of the day! Please come and see Mr Selfe or Miss Nairn if you have any questions.

VOLUNTEERS' MORNING TEA

Each year we hold a thank you event for our wonderful volunteers who have assisted us throughout the year. This notice is just prior warning that you are to be invited to the Volunteers' Morning Tea on Monday, 11 December. Personalised invitations will be sent home with students in the coming weeks.

BIKE EDUCATION

Our very valuable Bike Ed classes will be taking place over the next 3 weeks. Our expert instructor, Clifton Gurney, is an experienced teacher and does a fantastic job of making sure all of our students get the most out of the lessons, regardless of previous experience and skill level. It would be great to see more students riding their bikes to school once the Bike Ed has given them more skills and confidence in handling a bike. A friendly reminder that we are unable to store bikes here at school overnight.

BEACH DAY

On Tuesday, 11 December, we will be walking to Henley Beach as a school to celebrate our hard work over the year. Students will have an early recess and leave school at 10.30am. Parents are welcome to join us on the walk or meet us there. Students will begin walking back to school at 12.30pm.

PUPIL FREE DAY

A friendly reminder that the school will be closed on Friday, 23 November. The staff will be undertaking a review of 2018 and will be engaged in planning for next year. OSHC will be available for those families that need it. Please contact Maria on 0413 318 645 to make a booking.

Marcus Knill & Kristian Rawlings

SCHOOL NEWS

CONGRATULATIONS

We would like to congratulate **Luka Dobrovolski** and **Fabian Grelli** who have both been selected to play in the National Futsal Tournament to be held in Sydney in January 2019. Well done to both boys and we wish them well!

RACHEL'S PCW CORNER

Hi, I'm Rachel Tatera, the Pastoral Care Worker at FNPS. My role as PCW is to provide a chaplaincy service to support the wellbeing of students, staff and families. I will be at school on Wednesdays, Thursdays and Fridays and can be contacted on rachel.tatera905@schools.sa.edu.au or 0490 114 119.

Thought for the day:

"If your emotional abilities aren't in hand, if you don't have self-awareness, if you are not able to manage distressing emotions, if you can't have empathy and have effective relationships, then no matter how smart you are, you are not going to get very far." —Daniel Goleman, Emotional Intelligence

STRINGS 2019

2018 saw a very successful year for the Strings program here at Fulham North Primary. Due to the popularity of the program and having no Year 7's currently enrolled (and therefore having no Year 7's leaving), there will be no offers available to have new students take part in the program. If you have any queries please contact Nicole Hooke.

P.E. NEWS FROM MR SELFE

Well done to **Thomas Brown** who has been selected to be a member of the SAPSASA Airport District Cricket team. Well done Thomas!

A reminder to all families that our 2018 Sports Day is to be held on Friday, 16 November at Henley Oval, Cudmore Terrace.
