Dear Families, Principal’s Position

You may be aware that the short-term tenure as principal is set to conclude at the end of this term. The merit selection process to fill the position for the next five years takes at least six weeks, so it is apparent that a newly appointed principal will not be in place as planned at the beginning of next term. The Education Director will work with the Governing Council to ensure continuity until the newly appointed principal takes up his/her long term position.

NAPLAN

A big thank you to all Year 3, 5 and 7 staff for managing the NAPLAN over the previous two weeks. Well done to all

students who have done their best to ‘show what they know’. The transition to on-line testing presented new challenges but overall, was managed superbly by staff and students.

Election Day Polling Booth

For the first time, our school was a polling booth site for the Australian Electoral Commission on 18 May. A number of local residents commented that they were pleased and some old scholars since 1973 remarked about how they enjoyed coming back to their old school. I thank the band of parents who donated their time to service the barbecue.

SCHOOL NEWS

CANTEEN NEWS

QKR has been a big success for the canteen and we are busier than ever!

However, there is an ongoing problem with lunch orders which have not been correctly completed and confirmed, meaning the lunch order does not get submitted to the canteen.

We are seeing lots of hungry and confused students at 12:30pm, and it is then difficult for us to reach parents and organise a last minute lunch!

Please make sure the final receipt button has been pressed after ordering lunches on QKR and look out for the confirmation email.

Thank you!

Canteen Fundraising Cup Cake recess Special

Please have all orders and money to Mary by Thursday, 6 June. \$2-50 each. Cup Cake day is **Wednesday 12 June**. We hope you can support our Term 2 fundraiser, without your support the canteen could not survive!

PE NEWS FROM MR SELFE

It has been a busy Term 2 for P.E. so far, with many of our amazing athletes achieving personal and team success.

Cross Country

Fulham North had 24 students brave the wintery conditions to compete at the SAPSASA District Cross Country trials at Henley Oval. Well done to all of these Mighty Owls who showed great dedication to training. A special mention to Dylan Hall, Luke Hall, Archie Rawlings, Amahli Siebum, Sara Tropeano, Emily Loveder, Jevan Phillipou, Zak Fox, Fabian Grelli, Jake Hall, Manning Cleland and Rachael Kean who qualified for the State Championships to be held at Oakbank next Thursday, 6 June.

State Athletics

Congratulations to the 49 District Day students who participated at the District Athletics Day. Our school was successful in winning the Athletics competition for an 8th year running. Many personal bests were achieved on the day which was great to see. 16 of our athletes were then selected into the State Championships held at Santos Stadium during week 4. 7 students winning medals on the day to help Airport win the title for best overall district. An amazing achievement! Well done to Marley Hansen, Dylan Hall, Leon Fazzalari, Ella Clogg, Will Andrea, Jonathan Devine, Rachael Kean, Jordan Nguyen and Darcy Thurstans. The following students were medal winners on the day: Hayley Real, Shanoa Hofner, Lara Paris-Hewitt, Terran Wright, Jevan Phillipou, Jake Hall and Hugh Westley. A big thank you and well done to all students for their dedication to training, a great reward!

Other News

It has been a very busy term for our Knockout teams with multiple teams in action. Last week our Footballers overcame a slow start to beat Grange PS 14.4 to 5.9. A special mention to Ella Clogg for matching it with the boys and kicking a goal. Yesterday our girls Soccer team beat

We cleared \$773.50 which is quite remarkable considering the booth was relatively quiet. One local person commented that she had already voted elsewhere but there was no barbecue there so she came to us for her sausage! All things going well in our political world, the next State and Federal elections will both be conducted in 2022, so plenty of time to get organised.

Young People and Social Media

Our students are very good at abiding by our policy for mobile phones to be left at the front desk at the beginning of the school day and collected on departure. Obviously use of social media outside of school time is a parent/carer responsibility. However, inappropriate use of social media including harassment, can become a school issue, even if this occurs outside of school time. Same applies for adults in a workplace if one person abuses or intimidates another outside of work time, it becomes an issue for the employer as it ultimately affects the workplace.

With use of social media comes responsibility which is why various forums like Instagram and Facebook hold age restrictions. A useful government website provides a resource for parents and children and is <https://www.esafety.gov.au/>

Some key questions to help determine your child's readiness for social media are:

- Is your child able to withstand negative online experiences?
- Does your child understand the importance of protecting their personal information?
- Does your child understand how privacy settings for social media work?
- Does your child understand what is safe to share online?
- Does your child know how to report cyberbullying and other kinds of abusive content?
- Is your child willing to let you establish clear rules and supervise their social media activity?
- Is your child willing to let you establish clear rules and supervise their social media activity?

Student Commission

On Monday, 27 May, eleven students represented our school at the Western Adelaide Shores Partnership Student Commission at Fulham Gardens Primary School. These students were Jake Noble, Abbie Van Pelt, Hannah Kolokas, Ryder Donald, Tyson Pope, Bailey Forrest, Riley Moen, Ella Clogg, Olivia Tredrea, Jordan Nguyen and Skye Donald. The day was facilitated by Henley High School students and they worked with eight other schools to inform our leaders in the Partnership about how we can improve teaching and learning. Stasi Dimkou attended with the students and commended them on their positive participation and high level of responsibility which they showed on the day.

Pupil Free Day

A reminder that Friday, 7 June, is a Pupil Free Day. Staff will be engaged in professional learning to deepen our knowledge about purposeful reading for our students.

Marcus Knill & Kristian Rawlings

Grange PS 5 – 1 and Nazareth 12 – 3. The girls were outstanding after having never played together before. Our boys Soccer team and girls Netball team will both play in the upcoming week. Good Luck to those teams!

RAP RHYME AND RHYTHM 2019

This year, Fulham North Primary School’s annual Rap Rhyme and Rhythm evening has a few changes. Firstly, the evening is now on the **Tuesday** of week 9, 25 June. More importantly, not only will students be performing poems, but we will also have the Strings Ensemble, the Percussion Band, the Junior Choir, the Festival Choir and the Dance Troupe performing as well! It promises to be a fantastic evening!

Students in Years 3 to 7 have been practising performing poems in class over the last few weeks, and next week the selection process will take place in year levels. Once the selection process has been finalised, letters will go home to the families of the students who have been selected to perform in the RRR. If your child is unavailable to perform on the evening, can you please inform your child’s class teacher before the selection process takes place.

Letters will also be sent home during the next two weeks to the families of the other performers to provide details of times and dress requirements.

LOST PROPERTY

We remind families to **please label** all items of clothing as well as lunch boxes and drink bottles that come along to school. We have a staggering amount of these items that are left behind by the end of every week. If they are labelled we can return them to students but if they are not labelled we obviously can’t return them. With the cold weather now upon us we already have a huge pile of jumpers not named.

SPORTS NEWS

FOOTBALL

18/5/19

Year 1/2

Fulham North vs St Michaels

Jasmine played a great game with improved skills and football smarts. Prithvi is showing great willingness to hunt the football and has thirst for the contest. William had his best game for the year so far and found plenty of the ball. Jackson is showing great skills up forward like Robbie Gray. Hugo was outstanding in the ruck and around the ground all day. Julian was a great goal sneak with his first goal. Milla was a fantastic Captain and leader. All played well!

18/5/19

Year 3/4

Fulham North PS vs West Lakes Shore PS

A strong Fulham North side played West Lakes Shore. Again it was pleasing that Fulham North players were happy to step in and play for the opposition without an issue. A great game showing skills of sharing the ball around with 9 individual goal kickers. Another consistent effort from all players, this week the coaches wanted to acknowledge: Ky Hortop for making space and looking for targets Levi Barratt for his good running and solid skills Tom McKenzie for his strong marks and presenting himself well

Toby Clogg who demonstrated great left foot kicks, including 3 goals

18/5/19

Year 5/6/7

Fulham North 2.2.14 defeated by West Lakes Shore 17.9.111

Best players – Jake Hall, Nathan Kovacic, Ethan Hansen, Jack Roe & Luke Hall.

Goal scorer – Jake Hall – 2.

The Owls had their wings clipped by West Lakes primary on Saturday. Playing against a lot bigger, more physical Year 7 boys team and missing numerous players didn't help our cause. The boys battled valiantly against the odds all day. Jake Hall worked tirelessly all day, Nathan Kovacic played a solid game, Ethan Hansen provided some physical presence, Jack Roe stood up to countless attacks down back and Luke Hall wasn't scared to put his body on the line.

LIGHTNING CARNIVAL AT WOODVILLE OVAL 25/5/19

Year 3/4

Fulham North enjoyed participating in the annual School Football Carnival held at Woodville Oval. A frantic morning with 4 mini games in which Fulham North was undefeated, making it through to the grand final. Unfortunately they were unsuccessful, being beaten by 1 goal, but their great achievement to make the grand final was acknowledged – the only time for the season that official scores are kept. A fantastic performance from all players, this week the coaches wanted to acknowledge:

Jye Linke who battled hard all day

Julius Ouzounis for his strong tackles

Max Lowick who tried hard all morning

Bastien Loveder who 'busted a few tackles

Year 5/6/7

The Year 5/6/7 Fulham Owls put in a courageous effort to reach the grand final in the Lightning Carnival held at Woodville Oval in cold, wet and blustery conditions. The boys won their 4 group games to reach the grand final. The first game we played Grange PS with the final score being 1.2.8 to 0.0.0 with Jake Hall being our goal scorer. The second game we played Henley West with the score being 2.0.12 to 1.0.6 with Jack Trotter and Bailey Forrest scoring 1 goal each. Our third game we played Nazareth with the final score being 4.4.28 to 1.0.6. Goal scorers being Jake Hall 2, and 1 each to Lucas Worden and Jacyb Paris-Hewitt. Our final group game was against Hendon with the final score being 2.2.14 0.0.0 with Nathan Kovacic kicking 2 goals. This was enough to get us through to the grand final against West Lakes Shore. Our boys put in a valiant effort in the first half and were only down by 2 points. The boys were up against a bigger more physical side and they never took a backward step. The boys ended up going down by 12 points with the final score being 1.6.12 to 0.0.0. The boys should be commended for a great effort and they all did the school proud with their sportsmanship. Best players for the carnival were:

Jake Hall who never stopped running

Jacyb Paris-Hewitt was solid all day

Ethan Hansen competed well and got better throughout the day

Nathan Kovacic took some good overhead marks

Jack Roe put his body on the line

All boys should be proud of their efforts, well done to everybody involved in trying conditions.

Under 9 White 18/5/19

Fulham North White 1 defeated by St Francis Primary School 11

FNPS had a full squad come up against a competitive and skilled team from St. Francis Primary at St Clair. Zak and Gabriel in goals had plenty of activity to keep them busy throughout the game! The team had bursts of attacking which showed their ability to read the play and be in the right place at the right time. The team is starting to gel together and really enjoy playing soccer together. At training on Thursday, we plan to practice adding power and accuracy to our kicking and tackling.

Under 9 White 25/5/19

Fulham North White Primary School U9 soccer team vs. St Michaels on 25 May 2019 at St Clair

FNPS had a full squad come up against a well structured and organised team from "St. Micks". Though the Deadly Owls had to soak up long periods of pressure in defence, the team never dropped their heads, tackled hard and ran out the game. In an end to end, entertaining game on a rather soggy surface, Jake and Annabel pulled off some amazing "Dino Zoff" type saves between the goalposts. At training on Thursday, we plan to practice adding power and accuracy to our kicking and passing.

Lorenzo Pizza

Under 9 Blue 18/5/19

Fulham North Blue 8 defeated Seaton PS 3.

Scorers – Jude Rawlings 4, Nathan Trotter 2, Gabriel Pizza 2. Another fantastic effort by the whole team. Wonderful team work and team spirit shown by the boys in this game. Playing an undermanned Seaton, the boys played fairly and showed humility to their opposition. Skills are improving as we are looking to pass to the player in the best position.

Great to see the boys getting around the goal scorers in a quiet celebration and all enjoying their soccer and having fun. Thank you to Gabriel Pizza for filling in last week from
