Fulham North Primary School

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students in years F-4 must store their personal device in the front office. Students in years 5 and 6 have the option of storing their personal device either in their bag or in the front office. Please note, the school is not responsible for any personal device which is lost, stolen or broken while at school.

If the student does not comply

Students who do not use personal devices in an appropriate manner will be responded to in line with the following policies:

- FNPS Primary Student Use of Mobile Phones and Personal Devices
- FNPS Information and Communications Technology Student User Agreement
- FNPS Behaviour Management Policy

Breaches of the policy may result in the following action:

- Confiscation of personal device. The device will be stored in the front office and returned to student or parent/caregiver.
- Parental notification
- Admin timeout
- Continued refusal to comply with the policy may result in suspension

Students

Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person.

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.

Use the school's formal communication channels in all instances to communicate with the school (including where a student requires early collection from school).
